

Verified outcomes for community goals.

Recognized framework. Stronger results.

GreenPoint Rated helps jurisdictions advance housing, climate, resilience and community goals through a practical framework and third-party verified project outcomes.

 <p>145,000+ homes / units verified</p>	 <p>15+ yrs residential verification</p>	 <p>6 outcome pillars</p>	 <p>3rd-party field + document review</p>
---	--	--	---

WHAT IT HELPS SOLVE

- 

Clearer implementation
Translate policy goals into a practical framework project teams can actually use.
- 

Verified outcomes
Support climate and housing goals with third-party reviewed documentation and results.
- 

Consistency across projects
Create a more uniform approach across single-family and multifamily projects.
- 

Stronger public-value story
Show measurable community benefits beyond broad sustainability claims.

WHAT GPR VERIFIES

A whole-home lens for healthier, more efficient and more resilient communities.

 <p>Community location + access</p>	 <p>Resilience heat, smoke, outage</p>
 <p>Energy efficiency + reliability</p>	 <p>Water conservation</p>
 <p>Wellness IAQ + comfort</p>	 <p>Materials + Carbon materials impact</p>

HOW IT CREATES VALUE

1 **Set goals** align program, policy, priorities → 2 **Verify** review documents + field evidence → 3 **Certify** confirm delivered outcomes → 4 **Use it** report, benchmark, incentivize

WHY IT MATTERS

 <p>Why it matters to jurisdictions</p> <ul style="list-style-type: none"> Support climate, housing and resilience priorities. Increase confidence in delivered project outcomes. Use a recognized framework that is practical to implement. 	 <p>Why it matters to project teams</p> <ul style="list-style-type: none"> Provide clearer expectations and cleaner documentation. Help teams communicate value to partners and communities. Create a more consistent path from goals to verified results.
---	---

Program use, policy fit and project outcomes depend on jurisdiction approach, project type and implementation. GreenPoint Rated supports verification and certification, but does not replace local code, policy or incentive requirements.
